Subject: Mr. A. DIKY, leader of the Bloc of Nationals
518 West 111th Street Apt. 2
New York 25, N.Y.

Mr. A. DIKY a leader of a group which called themselves "Bloc of Nationals of the Non-Russian Peoples of USSR". This group of Non-Russian Nationals was created by Russians "Whites" to subvert the activity of National Liberation Movements of the Soviet Union.

Mr. DIKY'S group is supported by the newspaper "Novoye Russkoye Slovo" which advertised largely the edited postcard, which I enclose herewith with the cuts of "Novoye Russkoye Slovo" regarding this matter.

The pictures on postcard clearly indicates the threats by Russians in America towards the Government and people of the United States, who will share the fate of the predecessors in Russia.
